All vehicles include general living and bedding equipment. The above floorplans and specifications are indicative of the type of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but will be suitable for the required number of people and have similar specifications to those listed. Measurements are approximate, not guaranteed and may change at any time without notice. For use of microwave, vehicle must be connected to 240V mains. Solar power panels provide a trickle charge to the 12V battery power supply only, much like the engine battery does when driving. The solar panels will not charge over and above the current draw on the battery, nor will they fully charge it. *Bike rack hire additional cost. **Additional information on child and booster seats regulations available at www.mightycampers.com.au. [^]Maximum weight for top bunk in the Double Down is 200kgs. ^{^^} Cannot be requested. MT226-04/22-AU
